H-SW - NPT Sealing washer

Details:

- Material: Thermoplastic Elastomer UL94 V-0
- Colour: black
- Make fittings and connectors liquid tight, dust tight, and oil tight at enclosure.
- Suitable for wet locations requiring a separate gasket between the box and fitting.
- Also suitable for other panel sealing applications.
- Easy to install since washers seal off on the perimeter, not on the connector threads.
- $\bullet\,$ Special double sealing ridges compensate for minor unevenness at enclosure.

Part No.	Trade size NPT	А	В	С
		[mm]		
H-3258	1/4	13.7	20.2	3.2
