

OFBLT - Optical Fiber Bend Limiting Tubing

Details:

- Material: PP, RMS-86* Color: White
- Material: PBT, RMS-140* Color: Black
- Optical Fiber Bend Limiting Tubing offers the ultimate protection to fibers eliminating problems such as crushing, kinking, and micro bending, while supplying an entire, selfmanaging solution to managing the routing of fiber.
- Suitable for blown fiber applications over short distance and for curbside FTTH/FTTB applications
- Miniflex Technology Manufactured By Richco
