

DBST - PU Adhesive Tape

Details:

- Material: Polyurethane
- Adhesive: Solvent Acrylic
- Backing Liner : 120 g/m² White Silicone Paper
- Hardness (Shore) : 60 - 70
- Material Density (g/cm³) : 1,1
- Outdoor Resistance : very good
- Temperature Resistance: end-use temperature : -35 °C (-31 °F) to +65 °C (+149 °F) short term : +105 °C (+221 °F)
