FP-5486 - Wire clips with steel grip

Details:

- **Material: PA 6.6 UL94V2**
- **Color: black**
- Working temperature: -35°C - 85°C
- Standard pack: see table
- These products are suitable for mounting on the edge of supports of various types, by means of a steel grip fitted with retaining teeth. This conformation avoids perforations, ensuring good fastening strength. The plastic body guarantees excellent electrical insulation.
- STandard pack: 1000 pcs
