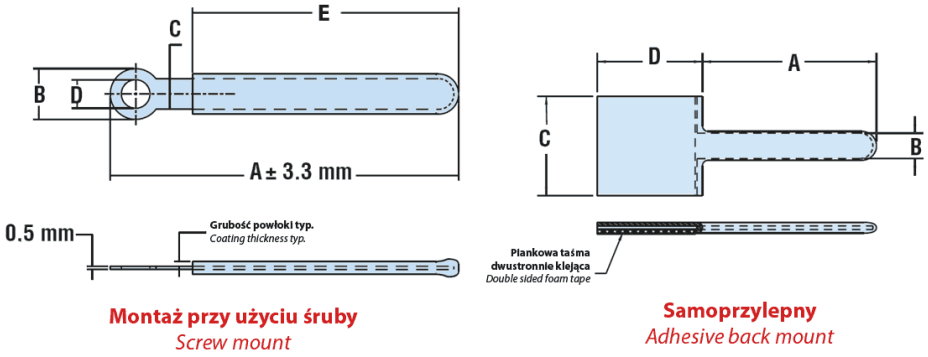
H-VCSC - Vinyl Coated Steel Clamps



Montaż przy użyciu śruby
Screw mount

Samoprzylepny
Adhesive back mount

Details:

- **Body material: Soft steel, electrogalvanized, 0.5 mm thick**
- **Coating material: Soft, PVC, 0.8 mm minimum thickness**
- Flexible soft steel easily bends and forms to desired shape and holding diameter.
- Vinyl coating both grips and insulates the cable or wire bundle.
- Type 1: Screw mount
- Type 2: Adhesive
