

## O-SSPZ - Steel Levelling Feet

### Details:

- **Material: steel with various finishes (see table)**
- 15° swivel to adjust to uneven surfaces
- Hardened ball (except in stainless) forms its own seat and resists galling
- Large diameter pad for solid support

| Symbol         | Foot     | Type | Finish        | Metric thread | Stud length | Base diameter D | Base height h | Approx. load capacity |
